

Adventure Kit

for "Tyson and Dino"

A quiet invitation to wonder — for little ones and their grown-ups

Tyson and Dino are playing in the garden. Colour Tyson's clothes bright and happy. Colour Dino green with a soft friendly smile. What colour is the sky above them? What colour are the flowers? Let your imagination paint the garden.

A Dino Hunt

- 
- *Go on a gentle hunt around your home or garden. Can you find something that is:*
 - *Green like Dino?*
 - *Round like Dino's tummy?*
 - *Soft like Dino's voice?*
 - You do not need to find a dinosaur — just look for things that remind you of one. Draw or tell someone what you find.

Learn Together

- 
- ▶ *Think of something you would like to learn — how to tie your shoes, count to five, or draw a circle. Now, ask someone to learn it with you, just like Tyson and Dino learn together. It is not about doing it perfectly. It is about doing it together.*

A Question to Wonder About

- 
- *“What does it feel like to have a friend who stays with you, even when you are learning something new?”*
 - Let your thoughts wander — there is no wrong answer.

Name: _____

Date: _____

*I know that the best kind of friend is one who learns beside me —
not by teaching, but by being present.*

For Grown-ups

- This Adventure Kit is about friendship, learning, and presence. It invites children to explore the world with curiosity and to value the people who walk alongside them.
- All activities are designed for safe, familiar environments.
